Music Across Borders is a new documentary film created and directed by Gameli Tordzro on how music crosses various borders. It responds today's migration debates and explores musicians' view on how their music encounters negotiates some of these borders and impacts on people across the world. The film and its screening is a part of Gameli's research in Creative Arts and Translating Cultures and is about Danish Jazz musician and composer Katrine Suwalski with her band Another World, their musical journey to Ghana in 2015 and their collaboration with Ghanaian musicians Tina Mensah aka Elivava and Odomankoma Okyerema Pra. The film explores the musicality of language and treats music as language.

Katrine's and Another World Band will be in concert with Gameli and Hesu (Spirit of Music) and Paragon Music

Music Across Borders

RM BORDERS

The Researching Multilingually at Borders project, is funded by the Arts and Humanities Research Council (AHRC) through the Translating Cultures Theme as one of its three large grant awards. The project is a collaboration between seven academic institutions (international and UK) and third sector organisations, for 3 years (2014-2017). The project has an international team of researchers, different disciplinary backgrounds, research experiences, language and performance skills.
